I'm McGruff the Crime Dog[®], and this is my pal Scruff[®]. Today we are going to learn about window & door safety.

FOLLOW THESE RULES TO STAY SAFE

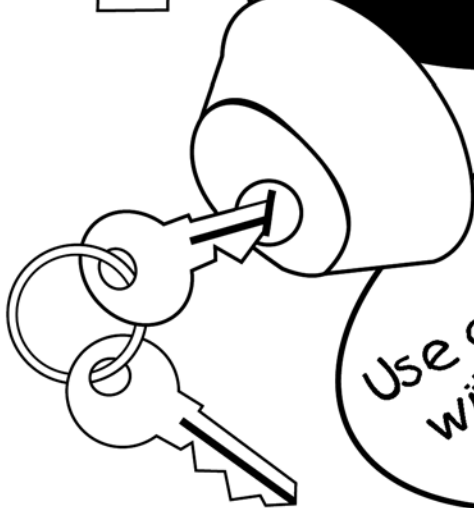

Replace old, broken windows with newer, stronger windows!

Give spare keys to a trusted neighbor. Never hide them.

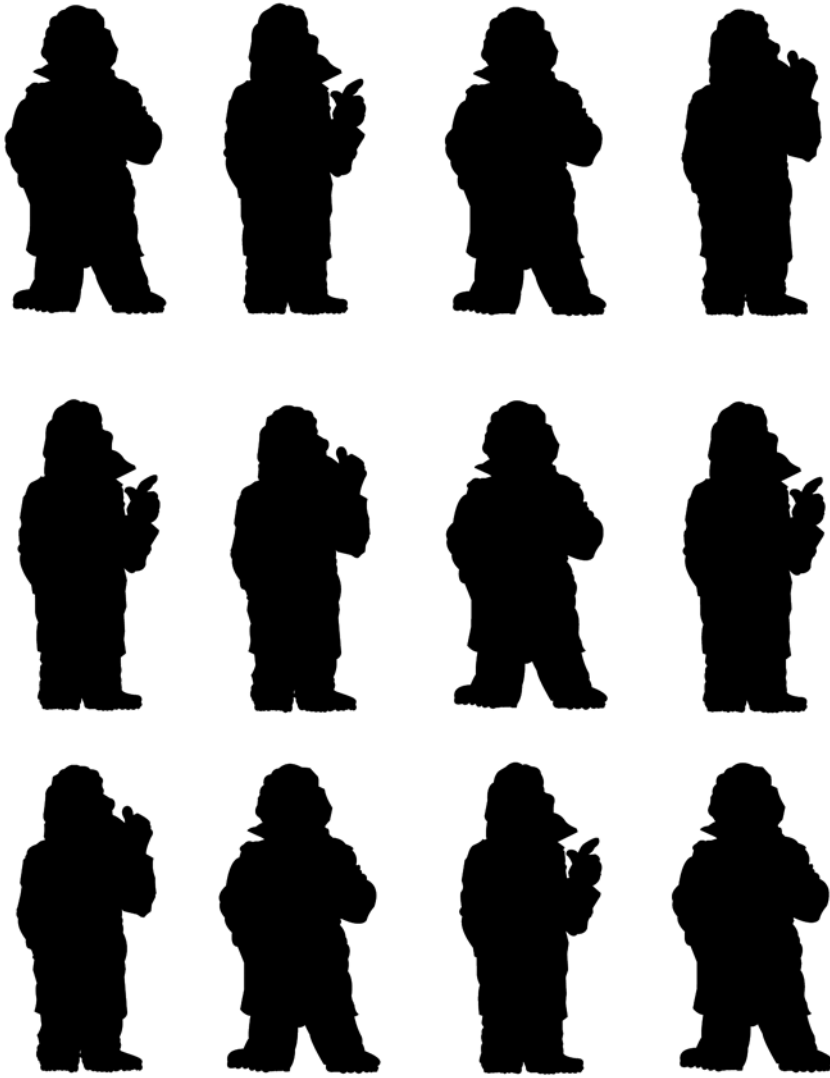

Don't use fans in your windows because they can easily be removed, allowing an intruder to get in.

Use a deadbolt lock with keys that are hard to copy.

Always keep windows and doors locked whenever you're not home—or even if you are.

Circle the shapes that match the McGruff shown.

How many words can you make out of the words:

Door Safety
