

Soft-Lite Windows and Unique Home Solutions Donate to Honor Flight Cleveland to Help Pay Tribute to U.S. Veterans Who Served Our Country

Soft-Lite Windows and one of its long-standing dealers, Unique Home Solutions, have offered a joint donation to Honor Flight Cleveland to help pay tribute to U.S. veterans who served our country by providing them a safe and memorable, all-expenses-paid trip to Washington, D.C. to visit the memorials honoring their service.

Streetsboro, OH ([PRWEB](#)) November 09, 2013 -- [Soft-Lite Windows](#) and one of its long-standing dealers, Unique Home Solutions, have offered a joint donation to Honor Flight Cleveland to help pay tribute to U.S. veterans who served our country by providing them a safe and memorable, all-expenses-paid trip to Washington, D.C. to visit the memorials honoring their service. From 2007 to 2012, more than 2,300 U.S. veterans, the majority from World War II, have benefited from an Honor Flight Cleveland adventure. Some of the highlights of the Honor Flight Cleveland experience include: the World War II Memorial, the Korean War Memorial, the Vietnam Memorial, the Lincoln Memorial, the Reflecting Pool, the Air Force Memorial, the Marine Memorial-Iwo Jima, and Arlington National Cemetery, including witnessing the Changing of the Guard at the Tomb of the Unknowns and the honor of laying a wreath at the Tomb.

Nine to ten flights are scheduled annually. Priority is given to World War II veterans; however, terminally ill U.S. veterans who served at any time are also given preferential treatment and assigned to a flight as soon as a seat is available. Korean War veterans fill any open seats. Each veteran is assigned a "Guardian", a volunteer who makes the trip with them and assists them as needed throughout the day-long trip.

Soft-Lite and Unique's sponsorship will allow 25 World War II veterans and Honor Flight representatives to make a trip on November 13, two days after Veteran's Day, making it an even more special trip for all involved. In addition, one employee from Soft-Lite and one from Unique will serve as Guardians on this Honor Flight.

Peter Langan, Soft-Lite's Director of Technical Services, who has served as a Guardian on a previous flight, will be representing the company on the November 13 flight. "The men and women who served in World War II are by far the greatest generation that this country has ever had. On July 31, I had the honor of being Guardian for 86-year-old Leonard Rabe, a Navy Veteran," said Langan. "I told Roy, our company's president, about the flight and must've hit a soft spot, because he teamed up with Bob Dillon of Unique to sponsor the entire November 13 flight! I couldn't be any prouder to work for such a generous man."

Honor Flight Cleveland is funded entirely by private donations from patriotic individuals and organizations that recognize the great accomplishments and sacrifices of veterans and have a desire for these American heroes to see their memorial before it's too late. The extraordinary feat of providing this service has been accomplished solely by volunteers, donating more than 53,000 hours to this important cause.

"We are proud to help support such an important and worthwhile organization as Honor Flight Cleveland," said Roy Anderson, Soft-Lite President. "Veterans who have served our country, and their families, have made sacrifices most of us can't even imagine, and I am excited that Soft-Lite can play a role in ensuring these veterans get a chance to see the memorials honoring their service. "

"I am honored that our company can contribute to a valuable organization like Honor Flight Cleveland," said Bob Dillon, President of Unique Home Solutions. "I'm pleased that we can help pay tribute to the men and

women who have served our country, because they are more than deserving of this experience for the sacrifices they've made for all American citizens.”

Soft-Lite is a vinyl replacement window and door manufacturer headquartered in Streetsboro, Ohio. The company is a multiple Crystal Achievement Award winner and is also a recipient of the Friedman Corporation Customer Appreciation Award, the Window Door Top 100 Manufacturers recognition, and the Door and Window “Companies To Watch” recognition.
